Impact

Impact of Curriculum Coaching Support

Staff and pupils alike have benefitted from professional support and co-delivery of lessons.

Children's comments:

- *I feel energised and excited for the lessons!*
- *I loved the cricket because I can't play it at home.*
- *I feel good during the lessons because I'm having fun and being challenged.*
- *I feel happy when I do PE because it is good for my speed, health and stealth!*
- *I feel energetic and ready for anything!*

Teacher's comments:

- *Working with the coach to deliver gymnastics sessions really inspired me.*
- *The coaching support has guided me in the organisation, sequence and outcomes of a series of lessons.*

Coach's comments:

- *I have been super-impressed with the high levels of enthusiasm, participation, skills and fitness of the children!*

After School Club

With a greater range of sporting activities on offer at after school club, there has been a constant demand for places. The activities are directly linked curriculum provision.

Children's comments:

- *The activities are fun and the coaches help us decide which skills to work on. I liked football, hockey and athletics the best.*
- *I enjoyed the curling. It was fun. The coach gave us lots of tips to help us get better.*
- *We are all encouraged to do our best and have fun!*

Parents' comments:

- *The school clubs encourage participation for all and promote healthy lifestyles!*
- *My child has enjoyed the wide all of the activities!*

Impact of CPD

The impact of CPD has been greater performance with an increased understanding of the PE. Standards in the learning and teaching of PE have improved.

Teacher's comments:

- *The gymnastics CPD provided me with the confidence and resources to plan for progression. This helped me recognise more fully where the children start and how far they can really go!*
- *The CPD has been very inspiring and has given me lots of ideas to then inspire the children. It has really helped me look at and evaluate my own teaching of PE.*

Subject leader:

- *The coaching and CPD have helped staff and children develop their potential in the teaching and learning of PE. Confidence has increased, ideas have been shared, fun has been had by all with the net result being a school with high levels of participation, confidence to set high standards and desire to do the best that it can!*
