Edinburgh Trip

By Hatty & Nathan

On Monday 11th June, most members of Class 3 went to Edinburgh for three days and two nights. On the first day we went to Edinburgh Castle and saw the cannons be fired. After that we went to the Childhood Museum where we saw lots of old toys including dolls, games and a rocking horse.

On the second day, we went to Dynamic Earth and went in a time machine back 13.8 billion years to see how the world was created and how we evolved. After that, we went to the Royal Observatory where we saw an old telescope. We learned about how planets were created.

On the final day, we went to the National Museum of Scotland; we split into two groups so that we could go to different areas. We saw stuffed animals, old architecture

and cultural objects.

About the trip, Billy commented, 'I enjoyed the film in Dynamic Earth called 'We are Stars'' and Freddie said, 'It was really fun and freaky with the dolls, and I got to dress up like Peter Pan!' Amy and Robyn thought that Dynamic Earth was, 'really fun because there was lots to learn.'

School Lunch

In September the price of a school lunch will increase to £2.05.

Staff Offsite

None expected

Homework

Class 1 - See homework book
Class 2 - Spellings. Maths problem solving
Class 3 - 20th Century project

Dates for your diary

Dates in bold are new additions from the last
