

Cotherstone School Governing Body

Newsletter – May 2019

We've reached the end of another half-term and would like to update you on what we've been doing in school.

SATS:

Governors were in school earlier this month to help with the Year 6 SATs. The children worked brilliantly through what was a demanding week for them. A big thank you to Mr Batchelor for creating and maintaining a calm environment throughout the week. Year 2 children have also been busy with their end of Key Stage 1 SATs which have once again run smoothly - many thanks to Class 1 staff. The children enjoyed a water fight and Mama Mia 2 as a reward for all of their hard work.

Music Assembly

We were treated to a fantastic afternoon last month which saw the whole school come together for a couple of hours of music and song. It was lovely to see the confidence and enjoyment from the children and such a wide range of performances. Thanks to FOCS for providing refreshments.

Sporting Events:

Children in Key Stage 2 have been busy taking part in lots of sporting events recently; cross country running, cricket and multi skills have all featured this week and the children will have more exciting sporting opportunities to look forward to next half term.

Wrap-Around Care

The prices of breakfast club and after school club have remained static for the last 4 years. Governors have considered the costings and agreed that in order to continue to provide these clubs, a slight increase is needed. CKC will increase from £1:00 to £1:25 per 15 minute session and breakfast club from £2:50 to £3:00 per day. The price change will take effect after the half term break.

Wishing you all an enjoyable half-term!

If you have any issue that you would like to raise with the Governing Body please contact Rachel at rachelatkinson265@gmail.com or 650041.
