Friends of Cotherstone School

We would like to take this opportunity to thank Tracy for the time, effort and hard work she dedicated to her position of Chair of The Friends of Cotherstone School. FOCS have supported the school for many years and have helped us through a number of challenging financial difficulties. They have made many otherwise unreachable experiences possible for our children, for which we are truly grateful.

Robinwood

We're looking forward to hearing about the children's adventures at Robinwood. A report will be included in next week's newsletter.

Class 1 Topic

As part of our topic, 'People who help us', we have invited our local vet Richard Matthews, to examine Mrs Murtagh's guinea pigs and Miss Lee's tortoise on Wednesday afternoon. The children will be able to ask Richard any questions and learn about his role in the countryside as a vet. There will be an opportunity for the children to handle the animals. Please inform a member of staff if you do not wish your child to handle the animals or if they have any allergies.

In addition, Sally Baker, one of our parent governors is coming into class on Monday to talk about her role as a nurse.

If you would like to come into class to share and discuss your role in the community, please get in touch with a member of staff. Thank you.

Music Workshop

On Tuesday afternoon, children in KS2 will once again be attending a recorder and flute band workshop at Teesdale School. The children will leave school at approximately 12:30pm and return in time for the end of the school day.

Scholastic Books

If you would like to order from the attached booklet please send your order into school by Friday 11th May. Thank you.
