Water Day

By Poppy & Morgan

On 21st June, we are having a Water Day, where you can dress up in blue and make a donation of £1 towards purchasing a water filter for street children in Delhi, as part of the work of Barnard Castle Rotary Club. At home, if you wish, make a model to show how water is important to us and there will be prizes for the best one. We will also have an ice lolly sale at the end of the day to raise more money.
