## Cool Kids

Hello and welcome back. We've got some great activities lined up for this term which we're still in the process of sorting. Thursdays we will have gymnastics, with baking on a Tuesday and craft on Wednesdays. These are temporary until activities have been finalised.

Now that we are settling back into a routine can I ask everyone to let us know any regular sessions for their children at the start of every term so we can plan accordingly.

Our greenhouse is finally finished! A big thank you to Jo Hall for organising the funding and erection of its frame. With a personal thank you to Mary Hepburn for all the hours spent cutting and stacking plastic bottles with me. Thank you

so much for all your donations, no more bottles needed.

Claire

## Homework

Class 1 - in homework book. To be returned on Wednesday.

Class 2 - Spellings (please see sheet attached)

Class 3 - Speech punctuation. Rounding Numbers.

## Dr Jellis's London to Paris Bike Ride

Thank you to all those people who gave donations for my London to Paris cycle ride over the summer holidays. It was a tough four days but thankfully it only took a week or so before I was able to walk properly again! Between my husband, sister and I we raised just over £3000 in aid of Cancer Research UK.
