### **Frequently Asked Questions:**

Below are some frequently asked questions that you may find useful before your child starts Cotherstone Pre-School:

#### **Where do I drop off and pick up my child?**

At dropping off time please wait at the office entrance until a member of our Pre-School Team opens it to welcome your child in (*morning session 9am and afternoon session 1.00 pm*). Once you have said goodbye at the door; Cotherstone Pre-School staff will then encourage and support your child to hang up their belongings, put their folder in the basket, put their water bottle on the shelf and find their name card.

At collection time (*morning session 12pm and afternoon session 3.00 pm*) please wait outside the office entrance and a member of our Pre-School team will bring your child out to you with all their belongings. You will be given a document, whereby you can name trusted adults who are able to collect your child from Cotherstone Pre-School. Please ensure that this is completed; the safety of our children is paramount, and the completion of this form is very important. If an adult not named on the document is coming to collect your child, please inform the school of their full name beforehand.
